A Note from the President...

Happy New Year! I hope that everyone had a wonderful holiday season. With Spring in sight, we start to plan for Spring and Summer events.

In February we have our annual Membership Drive Luncheon. The purpose of this yearly event is for the general public to learn more about our organization. Without our fantastic membership, we could not continue to provide the services and support that we commit to every year. As members, I encourage you to bring a guest to this year's event. Many current members learned about the Auxiliary through fellow family members, friends, or colleagues. The event is free and open to anyone 18 or older. For more information, contact Judy Leggott (402) 908-4050, judithleggott@yahoo.com.

March 1, 2011 will mark the end of the Auxiliary's fiscal year. It is also the end of term for our Executive Board members. Nominations for several board chairs are currently being taken. For more information, or if you or a member you know would be interested, please contact me no later than February 8, 2011, (402) 366-3760 or jjnorth@neb.rr.com.

It has been a pleasure serving as your Executive Board President over the last two years. If you have any questions or comments, please feel free in contacting me anytime.

Thank you,
Jenna North
YGHCS Auxiliary Executive Board President

Star of Lights 2010

The Stars of Lights was a very successful campaign this year. The generous support of our membership and the community will allow the Auxiliary to purchase two AEDs (Automatic External Defibrillator) for Willow Brook Assisted Living and York General Wellness Center. This year's campaign, which ran from November 1, 2010 to December 31, 2010, raised over \$5,200.00.

Thank you to our membership and the community for their generous support. For more information on the Star of Lights, please contact Kara Rauert (402) 362-1299, or visit our website: www.yghcsauxiliary.org.

Oncology Ornament Program

Each year, the Oncology Department at York General Hospital hosts a Cancer Survivor's Christmas Party. This annual event brings survivors and their families together in celebration of surviving cancer. It is also a time of memory for those lost to cancer. It has been the tradition for each survivor to receive an ornament for their Christmas Tree to designate each year they beat cancer. For the last four years, the Auxiliary has provided that ornament for each to take home. This year the Auxiliary provided 84 ornaments for each of the survivors.

Thank you to the membership for your support of this project. Your annual membership dues help to make this special project happen.

Volunteer Services Update

We would like to thank all of the members that were able to volunteer in 2010. Many of these events are dependant of volunteers from the Auxiliary to be successful for the residents. We are in need for volunteers for a variety of events in February and March. These events will only take an hour or so of your time and you will find it to be very rewarding. If you are interested, please contact Deb Bredenkamp, (402) 728-5515, or Coleen Hirschfeld, (402) 728-5352.

Holiday Fare & Bake Sale Update

This year the Holiday Fare was held on November 12, 2010 at York General Hospital. A large selection of books, purses, poinsettias, as well as baked goods donated by the membership was on sale. The proceeds were used to purchase Christmas gifts for the residents of York General Hearthstone. Thank you to all who volunteered, donated, and attended this year's sale!

Hearthstone Christmas Gifts

Every year the Auxiliary gets to play Santa by shopping for all of the residents of the Hearthstone. Each resident receives a special gift purchased and wrapped by Auxiliary elves.
